Hi All,

Carl asked me to set up a call in the next couple days, so I will look at our calendars and send Chris and Minnie some dates/times that work with our schedules.

Thanks,

Jody

Subject: Discussion with U&O Counsel on FIP

Hi Everyone,

Kimi, Kim and I called Chris Reagan, counsel for the Tribe, following up on Chris' call to Carl last week. He thinks a call with the Tribe to discuss where EPA wants to go with the rulemaking is a good idea. Our impression from Chris is the Tribe may not fully understand the implications of the FIP and it may help to explain what the FIP will accomplish in a little more detail.

We left it that EPA would propose some dates and times in the next few days that work for a call. If someone can take the lead on determining who in the program should be on the call and availability that would be very helpful. I told Chris we will get back to him and Minnie with some proposed dates and times. Please forward this to anyone I missed that should be included on this call.

Thanks,

Elyana Sutin
